We all share this responsibility of improving and upholding the quality of our work environment. By deciding to work here, you agree to follow the policies and procedures. These policies are not intended to limit our right to discipline or discharge the employees for any reason permitted by the law. Therefore, this handbook has been prepared to inform all employees of the policies and procedures of this company and to establish the company's expectations. The handbook cannot address every situation that could arise hence, the company can create new policies in that moment to address it. Therefore, the company reserves the right to unilaterally revise, suspend, revoke, terminate or change any of its policies, in whole or in part, whether described within this handbook or elsewhere, in its sole discretion. If any discrepancy between this handbook and current company policy arises, conform to current company policy even if shared via email or Teams. When additional or new policies are created, the handbook will be updated and communicated to all employees via email or Teams or ADP. It will be your responsibility to review and ask questions about any of the information within this handbook. This copy of the handbook supersedes and replaces all personnel policies and manuals previously distributed, made available or applicable to employees.

All questions may be addressed to Human Resources at HR@blufoxmobile.com

We wish you all the success in your growth with Blufox Mobile!

3 WORKPLACE COMMITMENTS

Blufox Mobile aims to create a safe, respectable and comfortable environment for all. Therefore, below are some of the policies summarized for all employees to understand and commit to. Please understand that no employee handbook can address every situation in the workplace. Blufox Mobile complies with all federal and state employment laws, and this handbook generally reflects those laws.

3.1 Reporting & Confidentiality

Any company employee who feels that any of these policies have been violated in any way shape or form, should bring the matter to the immediate attention of their manager or district manager or Human Resources at HR@blufoxmobile.com or (516) 502-9064.

The company will promptly investigate all allegations of the violation (refer to #8 Disciplinary Policy). An investigation and its results will be treated as confidential to the extent feasible, and information is only disclosed strictly on a need-to-know basis. The identity of the complainant is usually revealed to the parties involved during the investigation, and the Human Resources Department will take adequate steps to ensure that the complainant is protected from retaliation during and after the investigation. All information pertaining to a complaint or investigation under this policy will be maintained in secure files within the HR department.

No employee will be retaliated against for making a complaint in good faith regarding a violation of these policies, or for participating in good faith in an investigation pursuant to these policies. If an employee feels they have been retaliated against, the employee should file a complaint using the procedures set forth above. The company will take appropriate action based on the outcome of the investigation, your cooperation in reporting threats and violence is essential to the success of these policy.

3.2 Equal Opportunity Employment (EEO Compliance) / Non-Discrimination Policy

Blufox Mobile is an equal opportunity employer and does not unlawfully discriminate against employees or applicants for employment on the basis of an individual's race, color, religion, creed, sex, national origin, age, disability, marital status, veteran status or any other status protected by applicable law. This policy applies to all terms, conditions, and privileges of employment, including recruitment, hiring, placement, compensation, promotion, discipline and termination. Whenever possible, the company will make reasonable accommodations for qualified individuals with disabilities to the extent required by law. Employees who would like to request a reasonable accommodation should contact Human Resources.

3.3 Non-Harassment Policy / Sexual Harassment Policy

Sexual harassment is a form of unlawful employment discrimination under Title VII of the Civil Rights Act of 1964 and is prohibited under the company's anti-harassment policy. The Title VII of the Civil Rights Act of 1964 recognizes two types of sexual harassment: a) quid pro quo and b) hostile work environment. Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, sexual harassment occurs when unsolicited and unwelcome sexual advances, requests for sexual favors; sexual jokes and innuendo; other verbal or physical conduct of a sexual nature:

- Is made explicitly or implicitly a term or condition of employment.
- Is used as a basis for an employment decision.
- Unreasonably interferes with an employee's work performance or creates an intimidating, hostile or otherwise offensive environment.

Sexual harassment may take different forms. The following examples of sexual harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy:

- Verbal sexual harassment includes innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, lewd remarks and threats; requests for any type of sexual favor (this includes repeated, unwelcome requests for dates); and verbal abuse or "kidding" that is oriented toward a prohibitive form of harassment, including that which is sexual in nature and unwelcome.
- Nonverbal sexual harassment includes the distribution, display or discussion of any written or graphic material, including calendars, posters and cartoons that are sexually suggestive or show hostility toward an individual or group because of sex; suggestive or insulting sounds; leering; staring; whistling; obscene gestures; content in letters, notes, facsimiles, e-mails, photos, text messages, tweets and Internet postings; or other forms of communication that are sexual in nature and offensive.
- Physical sexual harassment includes unwelcome, unwanted physical contact, including touching, tickling, pinching, patting, brushing up against, hugging, cornering, kissing, fondling, and forced sexual intercourse or assault.
- Courteous, mutually respectful, pleasant, noncoercive interactions between employees that are appropriate in the workplace and acceptable to and welcomed by both parties are not considered to be harassment, including sexual harassment.

3.4 Anti-Harassment Policy

Blufox Mobile prohibits harassment of any kind, including sexual harassment, whether lawful or unlawful, and will take appropriate and immediate action in response to complaints or knowledge of violations of this policy. For purposes of this policy, harassment is any verbal or physical conduct designed to threaten, intimidate, or coerce an employee, co-worker, or any person working for or on behalf of Blufox Mobile.

The following examples of harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy:

- Verbal harassment includes comments that are offensive or unwelcome regarding a person's national origin, race, color, religion, gender, sexual orientation, age, body, disability, or appearance, including epithets, slurs and negative stereotyping.
- Nonverbal harassment includes distribution, display or discussion of any written or graphic material that ridicules, denigrates, insults, belittles or shows hostility, aversion or disrespect toward an individual or group because of national origin, race, color, religion, age, gender, sexual orientation, pregnancy, appearance, disability, sexual identity, marital status or other protected status.

3.5 Workplace Bullying Policy

Bluflex Mobile is committed to providing all employees a healthy and safe work environment. The company has thus adopted procedures to allow for complaints of bullying to be dealt with and resolved and to eliminate all forms of bullying.

The purpose of this policy is to communicate to all employees, including any supervisors, managers, and executives that the company will not in any instance tolerate bullying behavior. Employees found in violation of this policy will be disciplined, up to and including termination.

This policy applies to all employees of the company. It applies during normal working hours, at work related or sponsored functions, and while traveling on work related business. There will be no retaliation for anyone who in good faith alleges bullying.

Bullying is an unwelcome or unreasonable behavior that demeans, intimidates, or humiliates people. Bullying behavior is often persistent but can also be a single incident. The Company considers the following types of behavior examples of some, but not all types of bullying:

- Verbal Bullying: abusive and offensive language; ridiculing or maligning a person or their family; persistent name calling; insulting or teasing; abusive and offensive remarks.
- Physical Bullying: pushing; shoving; kicking; poking; tripping; assault, or threat of physical assault; damage to a person's work area or property.
- Gesture Bullying: non-verbal threatening gestures.
- Exclusion Bullying: bullying by isolating a person from others
- Extortion Bullying: threatening to hurt a person if the ask has not been done
- Cyber-bullying: bully by attacking a person online, including but not limited to threatening or aggressive emails, texts, or comments on social media accounts.

3.6 Consensual Romantic or Sexual Relationships

Bluflex Mobile strongly discourages romantic or sexual relationships between a manager or other supervisory employee and his or her staff (an employee who reports directly or indirectly to that person) because such relationships tend to create compromising conflicts of interest or the appearance of such conflicts. In addition, such a relationship may give rise to the perception by others that there is favoritism or bias in employment decisions affecting the staff employee. Moreover, given the uneven balance of power within such relationships, consent by the staff member is suspect and may be viewed by others, or at a later date by the staff member, as having been given as the result of coercion or intimidation. The atmosphere created by such appearances of bias, favoritism, intimidation, coercion, or exploitation undermines the spirit of trust and mutual respect that is essential to a healthy work environment. If there is such a relationship, the parties need to be aware that one or both may be moved to a different department or other actions may be taken.

If any employee of Bluflex Mobile enters into a consensual relationship that is romantic or sexual in nature with a member of his or her staff (an employee who reports directly or indirectly to him or her), or if one of the parties is in a supervisory capacity in the same department in which the other party works, the parties must notify the Human Resources Department or other appropriate corporate officer. Bluflex Mobile has made reporting mandatory because of potential issues regarding quid pro quo harassment.

Once the relationship is made known to Bluflex Mobile, the relationship and working circumstances will be reviewed by leaders and HR (reporting relationship between the parties, effect on co-workers, job titles of the parties, etc.) and will determine whether one or both

parties need to be moved to another job or department. If it is determined that one party must be moved, and there are jobs in other departments available for both, the parties may decide who will be the one to apply for a new position. If the parties cannot amicably come to a decision, or the party is not chosen for the position to which he or she applied, the Human Resources Department and senior management will decide which party will be moved. That decision will be based on which move will be least disruptive to the organization. If no other jobs are available for either party, the parties will be given the option of terminating their relationship or resigning.

3.7 Employment of Relatives/ Cohabitation

Blufox Mobile recognizes the natural desire of employees to assist their relatives, as well as others with whom they have cohabitating relationships, to seek careers with the company. This policy is established to protect the company and its employees from problems that might arise where it employs employees who share these types of relationships, such as actual or perceived conflicts of interest and favoritism. Therefore, the CEO/President reserves the right to review any such circumstances on a case-by-case basis ultimately allowing, denying, relocating any individual involved. Any performance reviews, promotion or monetary decisions must be made by the CEO/President to avoid any biases. All such relationships must be declared when referring or knowing of an application submission.

3.8 Americans with Disabilities Act

Blufox Mobile will not tolerate discrimination against persons with disabilities (as defined in the ADA and under state and local laws). This policy of non-discrimination includes, but is not limited to matters related to recruitment, training, job application procedures, hiring, promotions, transfers, layoffs, termination, compensation, and the provision of benefits.

In the case of an employee who is differently abled which prevents them from performing one or more of the essential functions of the job, Blufox Mobile will attempt, a thorough and flexible interactive process with the employee, to identify a reasonable accommodation that will enable the employee to perform such functions. If Blufox Mobile and the employee are unable to identify a reasonable accommodation that will enable the employee to perform his or her current job, Blufox Mobile will then consider other methods of accommodation, such as reassignment to a different job, the essential functions of which the employee can perform, with or without a reasonable accommodation. Notwithstanding the above provisions, an employee will not be assigned to work on a job if (1) he or she is not otherwise qualified for the job; (2) he or she is unable to perform one or more of the essential functions of the job, with or without reasonable accommodation; or, (3) the accommodation would create an undue hardship for the business.

If you have a question about your rights or responsibilities under this policy, the meaning of the terms used in this policy or the application of this policy, you should contact the Human Resources Department for guidance, by telephone at HR@blufoxmobile.com or (516) 502-9064.

3.9 Pregnancy Accommodation

Blufox Mobile prohibits discrimination based on pregnancy or perceived pregnancy and will attempt to reasonably accommodate the needs of the employee for her pregnancy, childbirth or related medical condition provided that such employee's pregnancy, childbirth or related medical condition is known or should have been known to Blufox Mobile, and the proposed accommodation does not prevent them from performing the essential requisites of the job or impose an undue hardship on the Company.

Any employee who needs to request an accommodation due to pregnancy, childbirth or a related medical condition should contact leadership and/or HR.

If Blufox Mobile believes that the provided documentation is insufficient, and before denying the request based on insufficient documentation, the Company reserves the right to request additional documentation from the employee or, upon the employee's consent, speak with the health care provider who provided the documentation. If applicable, the employee whose time off is covered by the Family Medical Leave Act (FMLA) may also be required to provide medical documentation, depending on the circumstances of the leave request, pursuant to federal law. Please refer to the FMLA leave policy in this handbook.

3.10 Drug-Free / Alcohol-Free Environment

Employees are prohibited from unlawfully consuming, distributing, possessing, selling, or using controlled substances while on duty. In addition, employees may not be under the influence of any controlled substance, such as drugs or alcohol, while at work, on a break during their shift, on company premises or engaged in company business/events. Prescription drugs or over-the-counter medications, taken as prescribed, are an exception to this policy. Anyone in suspicion or in violation of this policy will be subject to investigation and disciplinary action, up to and including termination.

3.11 Smoking / Vaping-Free Environment

To maintain a healthy, clean, and professional environment for both employees and customers, Blufox enforces a strict No Smoking or Vaping Policy within all areas of the store.

Policy Guidelines:

- Smoking, vaping, or the use of any tobacco, nicotine, or similar inhaled substances is strictly prohibited inside the store premises.
- This includes, but is not limited to: traditional cigarettes, electronic cigarettes (e-cigarettes), vaporizers, and other smoking or vaping devices, regardless of whether they contain nicotine or are marketed as non-nicotine products.
- Smoking or vaping is only permitted in designated outdoor areas, in compliance with local laws and ordinances, and during approved break times.
- Employees must not smoke or vape in any areas visible to customers, including entrances or the immediate vicinity of the store.

Any violations of this policy may result in disciplinary action, up to and including termination of employment. Managers are responsible for ensuring compliance. We appreciate your cooperation in helping to maintain a safe and comfortable environment for everyone in the store.

3.12 Hazardous Items Policy

Blufox Mobile take possession of potentially hazardous or dangerous property such as firearms, weapons, chemicals, etc., very seriously. Possessing, brandishing, or using any kind of hazardous item/s on company property (office, parking lot, events) or while performing company business is prohibited. Any violation of this policy will be subjected to immediate termination.

3.13 Conflict Resolution Policy

Blufox Mobile strives to provide a comfortable, safe and ethical work environment. Therefore, Employees are urged to bring any problems, concerns or grievances about the workplace to the Store Manager, District Manager, or the Human Resources Department. If there has been an inappropriate conduct, or activity on the part of the Employer, employees, vendors, customer or any other persons or entities related to the Employer, bring your concerns to attention immediately. If the inappropriate occurrence has previously occurred and have not received sufficient response from the Manager/s, present your concerns directly to Human Resources

Department. Employees are urged to describe the issue, those involved, efforts made to resolve by either party and any suggested solution to the issue.

3.14 Mutual Arbitration Agreement

Any Covered Claim (as defined below) shall be submitted by the undersigned employee ("Employee") and Blufox Mobile (the "Company") to final and binding arbitration before a neutral arbitrator under the Federal Arbitration Act as set forth in this Mutual Arbitration Agreement ("Arbitration Agreement"). "Company" shall include [Blufox Mobile], and any and all of its former, existing, and future parents, subsidiaries, affiliates, predecessors, successors, or assigns, or any of its and their current and former officers, directors, employees, and/or agents.

1. Mutual Arbitration Agreement

Employee and Company agree that any Covered Claims (defined below) will be resolved by final and binding arbitration as set forth in this Arbitration Agreement. This Arbitration Agreement applies with respect to all Covered Claims, whether initiated by Employee or the Company, and makes arbitration the required and exclusive forum for the resolution of all Covered Claims. By entering into this Arbitration Agreement, Employee and the Company each acknowledge and agree that, to the fullest extent permitted by law, Employee and the Company are each giving up their right to a jury trial in any forum and the right to a judicial forum for the resolution of any and all Covered Claims.

2. Covered Claims

Except as expressly set forth in Section 4 ("Claims Not Covered by this Arbitration Agreement"), and to the fullest extent permitted by law, all disputes, claims, complaints, or controversies ("Claims") that Employee has now or at any time in the future may have against the Company, or that the Company has now or at any time in the future may have against Employee, including claims relating to breach of contract, tort claims, wrongful discharge, discrimination and/or harassment claims, retaliation claims, claims for overtime, wages, leaves, paid time off, sick days, compensation, penalties or restitution, including but not limited to claims under the Fair Labor Standards Act ("FLSA"), Title VII of the Civil Rights Act of 1964 ("Title VII"), the Age Discrimination in Employment Act ("ADEA"), the Worker Adjustment and Retraining Notification Act ("WARN"), the Equal Pay Act ("EPA"), the Americans With Disabilities Act ("ADA"), the Family and Medical Leave Act ("FMLA"), and any other claim under any federal, state, or local statute, constitution, regulation, rule, ordinance, or common law, arising out of or relating to Employee's application for employment, employment, and/or the termination of employment (including disputes between employees) (collectively "Covered Claims"), are subject to arbitration pursuant to the terms of this Arbitration Agreement and will be resolved by arbitration and NOT by a court or jury. THE PARTIES HEREBY FOREVER WAIVE AND GIVE UP THE RIGHT TO HAVE A JUDGE OR A JURY DECIDE ANY COVERED CLAIMS. Either party to this Arbitration Agreement may make application to a court for temporary or preliminary injunctive relief in aid of arbitration or for the maintenance of the status quo pending arbitration.

3. Class, Collective, and Representative Action Waiver

- a. Waiver of Class, Collective, and Representative Actions: To the maximum extent permitted by applicable law, the parties agree that no Covered Claims may be initiated or maintained on a class action, collective action, or representative action basis either in court or arbitration. This means that neither party may serve or participate as a class, collective, or representative action involving Covered Claims either in court or in arbitration. In addition, neither Employee nor the Company may participate as a

plaintiff or claimant in a class, collective or representative action to the extent that the action asserts Covered Claims against Employee or the Company.

- b. Court to Decide Enforceability of the Waiver: A court of competent jurisdiction, not an arbitrator, must resolve issues concerning the enforceability or validity of the class action, collective action, or representative action waiver set forth above.
- c. No Prohibition on Filings or Communications with Government Agencies: Nothing in this Arbitration Agreement shall prohibit Employee from filing a charge, complaint or claim, or communicating or cooperating with, providing information to, or participating in an investigation by the U.S. Equal Employment Opportunity Commission, the National Labor Relations Board, the U.S. Department of Labor, the Occupational Safety and Health Commission, or any other federal, state or local administrative agency.

Nothing in this Arbitration Agreement shall prohibit Employee from making truthful disclosures to appropriate governmental agencies including but not limited to Employee's right to contact, communicate with, or report matters to any government entity or agency including but not limited to the U.S. Department of Justice, any Office of Inspector General of any U.S. agency, the U.S. Securities & Exchange Commission, or Congress, regarding possible violations of laws or regulations or to participate in any program administered by these agencies.

- d. Right to Challenge Validity of this Arbitration Agreement: Employee has the right to challenge the validity of the terms and conditions of this Arbitration Agreement on any grounds that may exist in law and equity, and the Company shall not discipline, discharge, or engage in any retaliatory actions against Employee in the event Employee chooses to do so. The Company, however, reserves the right to enforce the terms and conditions of this Arbitration Agreement. If, for any reason, the class action, collective action, or representative action waiver is held unenforceable or invalid in whole or in part, then a court of competent jurisdiction, not an arbitrator, will decide the claim as to which the waiver was held unenforceable or invalid and all other claims will remain subject to arbitration.

4. Claims Not Covered by this Arbitration Agreement.

Notwithstanding anything to the contrary contained in this Arbitration Agreement, the following claims shall not be covered by this Arbitration Agreement:

- a. Claims seeking unemployment insurance benefits, state disability benefits, or workers' compensation benefits, except that claims for retaliation pursuant to these laws shall be subject to arbitration under this Arbitration Agreement;
- b. Representative claims under California's Private Attorneys General Act ("PAGA") to the extent such claims are non-arbitrable on an individual basis under applicable law;
- c. Claims that are subject to the exclusive jurisdiction of the National Labor Relations Board; and
- e. Any claim that is expressly precluded from inclusion in this Arbitration Agreement by a governing federal statute.

5. Parties Covered by the Arbitration Agreement

Employee understands that while employed by the Company, Employee may sell services or products relating to Comcast Cable Communications Management, LLC ("Comcast Cable"). Employee and the Company agree that this Arbitration Agreement covers all Covered Claims that Employee may have against Comcast Cable and/or any and all of its former, existing, and future parents, subsidiaries, affiliates, predecessors, successors, or assigns, or any of its and their current and former officers, directors, employees, and/or agents, and that all such persons and entities are third party beneficiaries of this Arbitration Agreement and, as such, they may enforce this Agreement.

6. Arbitration Procedures

- a. Except as provided in this Arbitration Agreement, arbitration under this Arbitration Agreement shall be conducted before a single neutral arbitrator of the Judicial Arbitration and Mediation Services ("JAMS") in accordance with and selected pursuant to the rules and procedures of the JAMS Employment Arbitration Rules and Procedures and the JAMS Policy on Employment Arbitration Minimum Standards of Procedural Fairness ("JAMS Arbitration Rules"). To the extent any of the terms, conditions or requirements of this Arbitration Agreement conflict with the JAMS Arbitration Rules, the terms, conditions or requirements of this Arbitration Agreement shall govern. Information about JAMS and a copy of the JAMS Arbitration Rules are available at www.jamsadr.com.
- b. The arbitration will be heard at the JAMS Resolution Center closest to the location of where Employee worked for the Company at the time the claim arose, unless both parties agree otherwise.
- c. Any party shall have the right to file a motion to dismiss and/or a motion for summary judgment, which the arbitrator shall have the obligation to decide promptly by application of the Federal Rules of Civil Procedure governing such motions.
- d. The arbitrator is authorized to award any party the full remedies that would be available to such party if the Covered Claim had been filed in court, including attorneys' fees and costs. Thus, for example, Employee shall be entitled to recover attorney's fees and costs in any arbitration in which Employee asserts and prevails on any statutory claims to the same extent as Employee could in court.
- e. The arbitrator shall issue a final and binding written award, subject to review on the grounds set forth in the Federal Arbitration Act ("FAA"). No arbitration award or decision will have any preclusive effect as to any other issues or claims in any other arbitration or court proceeding unless each of the parties in such proceeding was also a named party in the arbitration.

7. Arbitration Fees and Costs

- a. Except as provided by law, in any arbitration before JAMS, Employee shall be responsible for any filing fee required to initiate arbitration or to assert any counterclaims up to the amount of the filing fee, if any, Employee would have incurred had Employee filed such claims in court, and the Company shall be responsible for all additional arbitration filing fees, forum fees, arbitrator fees, and other administrative fees and costs of the arbitration forum.

- b. The fees and expenses for any witness, expert, consultant, interpreter, and others retained or consulted by a party shall be paid by the party requiring the presence of such persons, subject to applicable law. Except as otherwise provided by law, all attorneys' fees shall be paid by the party that incurs them.

8. Confidentiality

To the maximum extent permitted by law, Employee and the Company shall maintain the confidential nature of the arbitration proceeding and the award, including all disclosures in discovery, submissions to the arbitrator, the hearing, and the contents of the arbitrator's award, except as may be necessary in connection with a judicial action to vacate, enforce an award or to seek protection to maintain confidentiality (including by filing under seal), or unless otherwise required or protected by law or allowed by prior written consent of both parties. This provision shall not prevent either Employee or the Company from communicating with witnesses to the extent necessary to assist in arbitrating the proceeding, nor shall this provision prohibit employees from engaging in protected concerted activity under the National Labor Relations Act (such as discussions of wages, hours, or other terms and conditions of employment). In all proceedings to confirm or vacate an award, Employee and the Company agree to cooperate in preserving the confidentiality of the arbitration proceeding and the award to the greatest extent allowed by applicable law.

9. Other Provisions

- a. Time Limitation for Commencing Arbitration: The same statute of limitations (the maximum time that parties have to initiate legal proceedings from the date a claim arises) that would have applied if the Covered Claim was filed in court will apply to any Covered Claim. Arbitration is to be commenced consistent with the JAMS Arbitration Rules, as applicable.
- b. Arbitration Agreement Survives Termination of Employment: This Arbitration Agreement will survive the termination of Employee's employment with the Company. This Arbitration Agreement supersedes any prior agreement between the parties regarding the subject matter of dispute resolution of Covered Claims.
- c. Construction and Severability:
 - i. Except as stated in this Agreement, if any part or provision of this Arbitration Agreement is found to be void, voidable, or otherwise unenforceable, that part or provision shall be severed and such a finding will not affect the validity of the remainder of the Arbitration Agreement, and all other parts and provisions remain in full force and effect.
 - ii. If any portion of the class action, collective action, or representative action waiver is found to be void, voidable, or otherwise unenforceable, then the portion of the waiver found void or unenforceable shall be severed from this Arbitration Agreement, and all other parts and provisions shall remain in full force and effect.
- d. Governing Law: This Arbitration Agreement is governed by the FAA and, to the extent not inconsistent with or preempted by the FAA, by the laws of New York without regard to choice or conflicts of laws rules. The Company's business and Employee's employment with the Company affect interstate commerce.

10. Acknowledgements:

By accepting the terms of this Arbitration Agreement, Employee acknowledges and represents that:

- a. Employee has carefully read this Arbitration Agreement, understand the terms of this Arbitration Agreement, and are entering into this Arbitration Agreement voluntarily;
- b. Employee is not relying on any promises or representations by The Company except those contained in this Arbitration Agreement;
- c. Employee is giving up the right to have Covered Claims decided by a court, judge or jury and to bring or participate in a class action, collective action, or representative action;
- d. Employee remains employed "at will," and for no definite period of time;
- e. These obligations are binding both upon Employee, and Employee's assigns, executors, administrators and legal representatives;
- f. Employee has been given a reasonable period of time in which to consider this Arbitration Agreement; and
- g. Employee has been given the opportunity to discuss this Arbitration Agreement with Employee's own attorney or advisor if Employee wishes to do so.

8 ATTENDANCE POLICIES

8.1 General Attendance

The company work hours may vary depending on work location and job responsibilities and needs of the business. Manager or district manager will provide employees with their work schedules in advance. Should an employee have any questions regarding their work schedule, the employee should contact the manager or district manager immediately.

Employees are expected to be at their assigned work area, clocked in, and ready to begin work at their scheduled time. This includes the start of their scheduled shift, return from meal or rest breaks, mandatory meetings, and both voluntary and mandatory overtime. Unscheduled absences and tardiness place an unfair burden on the business and co-workers.

An employee's attendance record will be evaluated. Failure to maintain regular attendance affects the team's ability to effectively perform their job duties. Therefore, the company does not tolerate absenteeism without a valid reason. Chronic absenteeism and unauthorized departures may result in disciplinary action up to and including termination. Employees who need to leave early, for illness or otherwise, should inform a manager or district manager before departure.

If an employee is absent for two consecutive shifts without any communication, notice or prior approval, they can be deemed to have abandoned their position and resigned willingly. Employees who are out sick for more than 3 consecutive days will be required to provide a doctor's note.

8.2 Work Hours

The purpose of this policy is to establish a clear understanding of work expectations, and to ensure operational efficiency. Store managers are required to work a minimum of 45 hours per week, not including breaks. The standard workweek for employees required to work 45 hours will typically consist of working between Sunday to Saturday. During Blackout period (see section 10.1) Store managers are required to work six (6) days a week. In addition, if a Store Manager does not meet performance expectations, the Company may require the Store Manager to work six (6) days per week outside of blackout periods as part of corrective action or performance improvement efforts. This requirement will be determined by management based on business needs and individual performance. Store managers and Assistant store managers cannot have the same days off. Any schedule adjustments must be pre-approved by the manager or district manager to ensure adequate staffing and workload coverage. District managers may allow some flexibility in scheduling to accommodate employees' needs, as long as the total of 45 hours is met within the workweek. Any changes must be approved in advance by the district manager to ensure continued operational efficiency. All Employees are responsible for accurately recording their work hours through RQ. Any discrepancies in recorded time should be reported immediately to the manager or district manager or HR.

8.3 Tardiness

Employees are expected to arrive on time and ready for work. Punctuality is essential to maintaining efficient operations and supporting team performance. Employees are also expected to maintain reliable transportation to ensure they arrive to work on time, and as scheduled. It is the Employee's responsibility for planning their commute and accounting for factors such as traffic, weather, transportation delays, or vehicle issues. Transportation problems are not considered excused absences or valid reasons for lateness, and repeated issues may result in corrective action in accordance with the Company's Attendance Policy. Employees who anticipate being late must notify their manager as soon as possible, following the call-out procedures outlined by the manager. Failure to provide timely notice may result in additional disciplinary action. The company recognizes that situations may arise which hinder punctuality; regardless, excessive tardiness is prohibited, and may be subject to disciplinary action.

8.4 Breaks

Meal period and rest break policies vary under state/provincial laws. The following guidelines apply to the employee's work location, unless a state/provincial law governing the employee's work location is more generous.

For information and guidance regarding state/provincial specific meal period and rest break requirements, contact your manager or Human Resources.

When working conditions permit, and pending a supervisor's approval, employees are entitled to fifteen-minute (15) breaks for every four hours (4) worked. However, a rest period need not be authorized for employees whose total daily work time is less than four (4) hours. An employee must take an unpaid meal break of at least thirty (30) consecutive minutes if the employee works six (6) or more consecutive hours.

Employees must clock out at the beginning of their meal period, and clock in when they return. Meal periods should be taken away from customer service areas (i.e., in a store break room or off premises), although exceptions may apply for single coverage locations. Employees must remember to notify their manager and/or another authorized employee before leaving the workplace for meal periods and rest breaks. It is the employees' responsibility to take appropriate breaks as listed in this clause.

Employees under discipline for attendance issues may be required to provide documentation regarding their bereavement leave.

10.7 Jury Duty

Employees will be provided unpaid time off to serve on jury duty as required by applicable federal, state, or local law. Where state law requires paid jury duty, the Company will comply with those requirements. Salaried employees will be paid in accordance with applicable wage and hour laws.

Employees may retain any jury duty stipends or compensation received from the court unless otherwise required by law.

Employees who receive a jury summons or are subpoenaed to serve as a court witness must notify their manager or district manager as soon as possible. A copy of the jury summons or subpoena must be provided to the manager or district manager and submitted to the payroll department.

Time off for court appearances related to an employee's own legal matters (such as serving as a plaintiff or defendant) or for non-subpoenaed appearances is not covered under this policy. In such cases, employees must use available vacation time or take unpaid time off.

This policy applies to all employees and will be administered in compliance with applicable laws.

10.8 Family and Medical Leave Act (FMLA)

1. Employee Eligibility

An employee must meet three criteria in order to be eligible for FMLA leave.

- a) Have worked for the employer for at least 12 months; need not be consecutive.
- b) Have at least 1,250 hours of service in the 12 months before taking leave* and
- c) Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

2. Basic FMLA Leave

Employees who meet the eligibility requirements described above may take up to 12 weeks of unpaid leave during any 12-month period. The foregoing 12-month period shall be measured utilizing the "rolling" method. Under this method, each time an employee uses FMLA leave, the remaining balance in their leave entitlement is equal to the portion of the 12-week entitlement that was not used in the immediately preceding 12-month period.

Basic FMLA Leave may be used for one of the following reasons:

- a) To care for the employee's son or daughter during the first 12 months following birth.
- b) To care for a child during the first 12 months following placement with the employee for adoption or foster care.
- c) To care for a spouse (including those in a same-sex marriage, civil union, or registered domestic partnership), son, daughter, or parent ("covered relation") with a serious health condition; *or*
- d) Because of the employee's own serious health condition that renders the employee unable to perform their job.
- e) For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

For purposes of Basic FMLA Leave a-c, it is not necessary that a legal or biological parent-child relationship exist if the employee is standing "in loco parentis" to a child.

Under some circumstances, employees may take their FMLA leave intermittently, which means taking their leave in blocks of time, or by reducing their normal weekly or daily work schedule. If the leave is for the birth or placement with the employee of a child for adoption or foster care, use of intermittent leave is subject to Blufox Mobile's approval. Leave may be taken intermittently whenever it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work. While on intermittent leave, an employee may be required to transfer temporarily to a position that better accommodates the leave, retaining equivalent pay and benefits.

3. Notice Requirements

Employees requesting FMLA leave must provide 30 days advance notice of the leave, or as much advance notice as possible, giving the reasons for the leave, the time the leave will begin, and the expected duration of the leave. An employee seeking to use FMLA leave must submit:

- a) Initial written medical certification supporting the need for any leave due to a serious health condition affecting the employee or an immediate family member by arranging for the employee's health care provider to complete the Certification of Health Care Provider form.
- b) Notice of the employee's intended return to work date, or any change in that date, as soon as that date (or a new date) is known; and
- c) Periodic recertification of the need for leave, as requested by Blufox Mobile.

Upon completion of any period of non-intermittent FMLA leave, and before returning to work, an employee may be required to submit a medical certification of fitness to return to work.

4. Pay and Benefits During FMLA Leave

Family medical leave is unpaid. Benefits during FMLA may vary based on the type of leave the employee is eligible for.

The employee is eligible to receive benefits through state-sponsored programs as well as benefits enrolled through the company. The employee has the option to keep or freeze their benefits during their leave. If the Employee decides to keep their benefits enrolled through the company, the employee is required to pay their entire premium portion in any of the following ways:

- a) Payment due at the same time as it would be made if by payroll deduction,
- b) Payment due on the same schedule as payments are made under COBRA,

- c) Payment prepaid pursuant to a cafeteria plan at the employee's option,
- d) Existing rules for payment by employees on "leave without pay" may be followed, provided that such rules do not require prepayment of the premiums that will become due during a period of unpaid FMLA leave or payment of higher premiums than if the employee had not taken leave; or
- e) Another system voluntarily agreed to by the employer and the employee.

5. Return to Work:

On return from FMLA leave (whether after a block of leave or an instance of intermittent leave), the employee will return to the same job, or one that is nearly identical (equivalent). Geographically proximate worksite would include locations up to 60 miles from original worksite or nearest available. Key employees may not be returned to their former or equivalent position following an FMLA leave if restoration of employment will cause substantial economic injury to Blufox Mobile. Blufox Mobile will notify employees if they qualify as key employees.
